

Title: SCAC/OESA South Carolina Regional Supplier Meeting

Date: May 31, 2017

Location: CU-ICAR-5 Research Drive-Greenville, SC

Abstract: This program will cover a range of topics impacting the automotive suppliers in South Carolina:

- Tom Lehner, VP of Public Policy for MEMA, will discuss the political atmosphere surrounding the automotive sector and how the new administration will direct the industry.
- Leadership from OEM/Tier 1's Robert Bosch, Jtekt/Koyo, Bridgestone, MEMA, and CU-ICAR will offer insight into Industry 4.0 and innovative technologies implemented to increase advanced manufacturing practices.
- Dirk Hilgenberg, VP of Assembly for BMW, will share insight into program schedules and how suppliers can interface with BMW, and their plans for the future.

This event serves as a great networking opportunity between Suppliers and OEM/Tier 1 as we aim to grow connectivity in the automotive ecosystem in South Carolina. This program sold out last year so register now!

Cost: *\$195 per registrant*
