

NASHVILLE, TENNESSEE

SOUTHERN AUTOMOTIVE CONFERENCE

# STUDENT DAY AT SAC

POWERED BY

As the south's largest automotive manufacturing event of its kind, SAC provides several specialized opportunities for students and young professionals seeking a career in various aspects of automotive manufacturing.

**Applications for Student Day at SAC 2019 are now open.**  
**Please visit /register for your options to attend SAC 2019.**

Student Day at SAC is designed to encourage students and young professionals to engage with the automotive industry while they are early in their career. This program provides students with a free Exhibition Access registration to attend the Southern Automotive Conference, specifically on Friday September 27 from 7am-11:30am to participate in networking with over 200 exhibitors from across the southeast, the United States and internationally. Students will also be able to attend the day's programming including the OEM panel of top manufacturing executives discussing a wide range of topics affecting their companies.

- 200+ Exhibitor Companies
- Conference Programming Agenda includes:
  - Networking Breakfast
  - Tradeshow Breaks
  - JD Power Quality Update
  - The OEM Panel; Top Executives from Southern OEMs ...and more!

Bring your resume and prepare to meet future employers.

#### **Criteria for Student Day at SAC:**

Applicants for Student Day must be currently enrolled as a full-time student, at least 16 years old, and able to present a valid student ID upon picking up their badge at Registration. Registration is now open.
